Procedure to configure Apple iOS to support HKUSPACE WiFi

1. Turn on your iOS device and navigate to the home screen. Locate and Tap the Settings icon.

2. Tap the Wi-Fi button.

3. While you are on HKU SPACE campus, ensure that WiFi is turned ON and tap "HKUSPACE WiFi".
4 Enter your username and password.
   a. For Student
      Username: Student_LoginID@hkuspace.hku.hk
      Password: Learner Portal Password
   b. For Staff
      Username: Staff_LoginID@hkuspace.hku.hk
      Password: Staff Intranet Password
   c. For Teacher
      Username: Teacher_LoginID@hkuspace.hku.hk
      Password: Teacher Portal Password

5 Tap Join

6 You will be asked to accept the certificate, 802.1x.hkuspace.hku.hk, signed by Go Daddy Secure Certificate Authority - G2 the first time you connect. Click Trust.
You should now see "HKUSPACE WiFi" as your selected network.
