Career Progression

Students who wish to qualify as lawyers in Hong Kong must complete the P.C.LL. course. From 2008 additional admission requirement have been imposed for the P.C.LL. For full details see http://www.ple.hku.hk/pcll/ and www.pcea.com.hk. Those wishing to apply for P.C.LL. must also have completed an IELTS test within three years of application and should have an overall 7.

Completion of the University of London LL.B. confers partial exemption from the P.C.LL. admission requirements.

Students who are not permanent residents of Hong Kong but who wish to practise as solicitors or barristers in Hong Kong should check with the Hong Kong Law Society and the Bar Association as to any residency requirements.

“This is an exempted course under the Non-Local Higher and Professional Education (Regulation) Ordinance. It is a matter of discretion for individual employers to recognise any qualification to which this course may lead.”
**What is an LL.B.?**
The LL.B. is a degree which provides an academic foundation in Law before the stage of professional legal training. Intending lawyers will then need to complete the shorter vocational stage. A number of other professions recognise the LL.B. as providing exemption from some part of their professional training. Law is an important academic study in its own right, and most of our students take the LL.B. programme without intending to practise Law.

**University of London LL.B.**
The University of London is a world renowned provider of legal education. Its LL.B. has long been regarded as an ‘international gold standard’ in legal education and for over 150 years it has provided the first step on a career route for many thousands of practising lawyers within the Commonwealth and around the world. Academic direction for the Undergraduate Laws Programme is provided by six University of London Colleges with Law Schools or Departments, collectively known as the Laws Consortium. The six Colleges are: Birkbeck, King’s College London, London School of Economics and Political Science (LSE), Queen Mary, School of Oriental and African Studies (SOAS), and UCL (University College London). For more information on the University of London visit: https://london.ac.uk

For information about the LL.B. see https://london.ac.uk/courses/bachelor-laws

Upon successful completion of their studies, students are awarded a University of London degree or diploma. Although the standards of these awards are maintained at the same level as the standards of awards made to students studying at one of the Colleges of the University of London, the awards are distinct from degrees or other qualifications awarded by these Colleges. The certificate that students receive following graduation will state that the student was registered with the University of London and awarded a University of London degree or diploma. It will also state that examinations were conducted by the University of London Law Schools.

The LL.B. is known for its giving a solid foundation for legal practice and career progression.

**Why Study with HKU SPACE?**
HKU SPACE courses are tailored specifically for University of London LL.B. and lecture courses are provided mostly by leading academics and teachers from major U.K. Universities.

The tuition package is made up of main and revision lectures, exam skills seminars and mock examinations for all Level 4 and some other modules. Those studying Level 4 modules will have the opportunity to submit take-home assessment on a voluntary basis.

**Attendance on a specially designed course greatly improves the chances of success in the examinations.**

**Programme Structure**

**Standard Entry (non-graduate)**
Students who do not have a degree must take 12 modules. The minimum period of study is 3 years and the maximum 6 years.

**Graduate Entry**
Students recognised by the University of London for Graduate Entry must take 9 modules. The minimum period of study is 2 years and the maximum 6 years.

**Students can vary the pace of their studies subject to the programme regulations but must follow the prescribed programme structure. Graduate entrants are strongly advised to spread their studies over a longer period.**

There is flexibility in the programme structure but students who wish to qualify as lawyers must make sure that they choose the correct modules if they intend to apply for either the P.C.LL. in Hong Kong or Legal Practice/Bar training courses in England and Wales. **The module requirements are different in each jurisdiction.**
HKU SPACE Preparation Courses and Hong Kong PCLL/ England & Wales QLD alignments (applicable to students registering from 2016)

Students should refer to the LLB structure and outlines contained in the University of London prospectus and regulations to ensure that they enroll for the correct modules.

Notes to Non-local Applicants

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to a HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are generally NOT considered by the Immigration Department for visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU System through HKU SPACE.

If you do not receive a timetable one week before a course starts, please e-mail florence.fong@hkuspace.hku.hk (or telephone 2520 4665).

VISAS

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements.

HKU SPACE Mileage Scheme for Learning

For enquiries about learning mileage redemption status students may access terminals at enrolment centres, or use the SOUL platform (https://hkuspace.hku.hk/admission/financial-assistance/s-miles). HKU SPACE enrolment staff can also help with this information either at the counter or by phone (Hotline: (852) 3761 1111). HKU SPACE reserves the right to interpret and amend the terms and conditions of the Scheme.

Remarks

(1) Applicants may be required to pay the course fee in CASH or by EPS/ Visa or Master Card if the course is due to start shortly after enrolment. Application for enrolment will NOT be accepted on the date of commencement of lectures. Course fees paid are not refundable or transferable.

(2) Please note that unavoidable timetable changes, including changes of lecturer, may sometimes be made. Such changes will avoid clashes with the other modules in the same year lecture grouping. However it is not always possible to avoid timetable clashes for those students taking modules in other lecture groupings. In extremely rare circumstances, it may be necessary to substitute recorded for face-to-face lectures.

(3) You will be required to produce your admission card to HKU SPACE staff outside the lecture theatre in order to gain entry to each lecture. Students leaving and re-entering the lecture theatre will be asked to produce the card on each re-entry. (The procedure for processing admission cards will be notified by mail to students by the end of September).

(4) In order to encourage the use of public transport, HKU Campus monthly evening parking arrangements for all part-time students and HKU alumni will be suspended effective from 1st September 2017, but the latter will be offered a 30% discount on hourly parking fees if they settle the parking fee by Bank of East Asia HKU Graduate Credit Card. The hourly parking rate for all car parks under the management of Wilson Parking will be unified. Any query regarding fees or any other aspect of car parking on campus should be addressed to the Estates Office, The University of Hong Kong. The link below is printed for your reference.

Notes to Non-local Applicants
To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements.

Admission to a HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are generally NOT considered by the Immigration Department for visa purposes except for those self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU System through HKU SPACE.
